PROFILE

Hello! My name is Matthew, and I am currently a student at Whatcom Community College, as well as a server at Fremont Bowl in Seattle. I have experience working in high intensity food service settings, doing everything from cooking pizza to taking orders and answering phones, and experience working in a fast paced retail environment. I graduated from Ballard High School in 2021, and am passionate about the outdoors, conservation, climbing, hiking, skiing, backpacking, coffee, and more. I am a quick learner, who can adapt to any situation very easily. I have many skills outside of food service and customer service as well, including photography, programming, and Adobe and Microsoft office software.
